FOREWORD

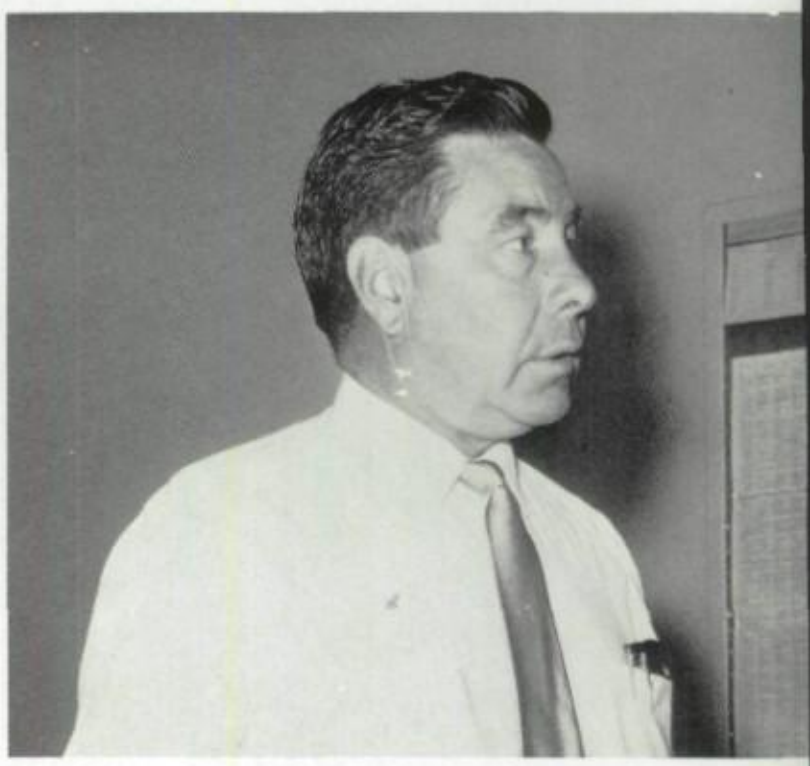
Look through the pages of this Chaqueta. See the faces of your friends and schoolmates. Think of the things you did, the goals you reached, your accomplishments. Now realize that they're gone forever. We, the Chaqueta staff have truly tried to capture the moments that have made 1970 special in order to make Franklin a lasting memory to all who attend.

TRICK or TREAT

PERSONNEL . . .

Mr. Brumm - Principal

Mrs. Dawson - Dean of Girls



Mr. Peregoy - Dean of Boys

Franklin has always offered every student respect, equality and acceptance as well as the opportunity for a good education. Although the school provides the opportunities it depends on each of you whether you have gained from your years at Franklin or not. In order to have gained you have had to be willing to work and to take full advantage of the many subjects offered. I would hope that each of you have used your years to develop the skills and confidence needed to successfully meet the challenges of your future.

John Sobel, Student Body President

By the completion of this school year we have climbed one more step in the long and hard ladder of life.

We will no longer see Franklin's many familiar faces, but we can re-live those unforgettable moments of joy, laughter, excitement, agony, and disappointment by glancing through these pages.

I would like to leave this thought:

"Though a single man may think he can succeed alone;
Ten men united can do more than ten-thousand alone.

The year 1970 has ended. That "Day" in our lives is over. You juniors and sophomores are lucky. . .you can return. But for you seniors it is different. Never again will you walk through the familiar halls of Franklin nor see the shining faces of your classmates as they pass. For your "day" the sun has set, and now, nearly too late, you realize the meaning of the words "Dear Franklin, we love thee, We'll ever sing all hail!"

ALMA MATER

Lift your voice for Franklin High,
The school we hold so dear
With joyous song let rafters ring,
Rise up and give a cheer.

Dear Franklin, we love thee
And faithful we'll be
To the precepts learned within thy walls
We pledge our loyalty
All hail, All hail, All hail, All hail!
To the Franklin High School green and gold,
We'll ever sing all hail.
